THE PUBLIC IS INVITED TO ALL SERVICES

Pleasure Island Bible Camp is operated by a group of independent, fundamental Baptist churches. It is our goal to challenge Christian young people to live for God, to reach unsaved young people with the Gospel of Christ and to teach them the Word of God. It is our prayer that from these youth, many will hear and respond the call of God for full-time Christian service.

Our camp philosophy for young people is derived from Ps. 16:1 "Thou wilt show me the path of life: in thy presence is fullness of joy; at thy right hand there are pleasures for evermore." Living for Christ is not grievous; there is great joy for those who know Him as Savior. His yoke is easy and eternal pleasures are found in serving Him.

Parents or former campers of Pleasure Island Bible Camp. Want to visit for the day or stay over night, the cost is \$50 per day/Includes meals. Meal cost is \$6.00 per meal. We will adhere to all Covid guidelines at the time of camp as mandated by the State of Virginia.
