

# What is the message of the Bible?

The Bible tells us about the beginning of all things.

The Bible tells us about the ending.

The Bible starts with God and it ends with God.

The Bible reveals to us our Lord and Savior Jesus Christ.

The Bible tells us that God is concerned with the reconciling man unto Himself even from the beginning.

The Bible tells us that God is in control and that His plan is always being accomplished and will always be accomplished.

The Bible tells us about His plan and how you and I are to be a part of it.

The Bible tells us how to be saved.

The Bible shows us how to live after we are saved. **Ephesians 2:10**

The Bible shows us who God is: God the Father, God the Son, and God the Holy Ghost.

The Bible gives us examples of what to do and what not to do.

The Bible shows each person where they are and where they are headed.

The Bible reproves, rebukes, and exhorts. It comforts, it guides and it lives.

The Bible shows us that God wants to commune with us.

The Bible tells us that we are created for His pleasure.

The Bible of course speaks to us about Heaven and it tells us about Hell.

The Bible tells us of the temporal and the spiritual.

The Bible warns us of our enemies and shows us our friends.

The Bible engages us and pierces our hearts with truth.

The Bible shows us what we can comprehend and describes to us what we cannot comprehend.

If we could sum it up we could say it this way the Bible is God's communication to man, it is His Revelation of Himself to us and shows us His Love, His Judgment and His Perfection.

"To me the Bible is not God, but it is God's voice, and I do not hear it without awe."

"If you wish to know God you must know his word; if you wish to perceive his power you must see how he worketh by his word; if you wish to know his purpose before it is actually brought to pass you can only discover it by his word."

"Nobody ever outgrows Scripture; the book widens and deepens with our years."

"These words come from him who can make no mistake, and who can have no wish to deceive his creatures. If I did not believe in the infallibility of the Book, I would rather be without it. If I am to judge the Book, it is no judge of me."

"I would recommend you either believe God up to the hilt, or else not to believe at all. Believe this Book of God, every letter of it, or else reject it. There is no logical standing place between the two. Be satisfied with nothing less than a faith that swims in the deeps of divine revelation; a faith that paddles about the edge of the water is poor faith at best. It is little better than a dry-land faith, and is not good for much." – Charles Spurgeon
